Sarah,

I can't read David's edits on my home computer, but don't have to. I'm sure they are fine. Feel free to send w/o another review from me. - Jim

Sarah, I have a couple recommended edits attached. I think the response is good, but it is open-ended about the review process after July 24, which is fine if that is your intent (e.g., the possibility of additional meetings between the tribe and the review team). Thanks

Subject: Review COB today: Response to Kalispel Tribe

Hi Dave and Don (FYI Ben, Mike, Felicia, Tod),

As promised during our meeting Tues., Jul. 3, attached please find a draft response from me to the Kalispel Tribe. Thanks to my HQ counterparts, including OGC Jim Curtin and Tod Siegal, for helping develop this response.

[I will plan to send this response forward to Deane Osterman first thing tomorrow](#) (and then I will be on annual leave tomorrow, returning to the office on Tuesday, July 10). [Please let me know if you see any showstoppers by COB today](#) (please use "track changes"). It is important that I respond to Deane in a timely manner given the visit's fast approaching and Deane's note about the expense of this trip.

I will set up a meeting next week with the same group as our Tues. (Jul. 3) call to cover technical discussion (assuming we will go ahead with a technical meeting during the Jul. 24 visit). Unfortunately, we did not have adequate time to cover this technical discussion on Tues., Jul. 3. I will also plan to set up a meeting (or we may cover it on Jul. 19) per Eric's request, to discuss the "choreography" of Jul. 24, based upon your experience in meeting with Kalispel Tribe in the past. We envision this will be a meeting for you, Felicia, Jim, Eric, Ruth, and myself.

If you have any questions, please let me know. Again, I will be in the office for the next hour or so, and then return Jul. 10.

Thanks,
Sarah
